The first stop of the day is at a secluded inlet called Chacalal. Here you will find a 1000 year old, small Mayan lighthouse ruin. Explore the lagoon, snorkel in caves, or just relax in the sunshine. At this stop our trained guides offer professional snorkeling instruction to the inexperienced. Don't worry it's very easy and fun for all ages. All your snorkeling gear (snorkels, masks and lifejackets) is provided .

The next stop is at a deserted paradise beach, complete with white coral sand beaches, palm trees, and crystal clear Caribbean sea. Here you will be able to explore the reef for an hour or so with your expert guides. There is amazing corals, clouds of colorful tropical fish in every size and colour, wild sea turtles, in shallow crystal clear waters. This is one of the few untouched pristine beaches on the Riviera Maya and well away from the crowds.

Following your underwater adventures, we head off to Paa Mul cove. At this idyllic bay we provide a tasty lunch at the beach club with full waiter service (choose from four delicious dishes). Enjoy your food and a choice of cocktail/ beer while gazing out over the gorgeous bay and beach. Then it's back onboard for a fast blast along the beautiful Caribbean coast to the marina. With our incredible 500 hp offshore power boats, a highly professional and friendly crew, one-of-a-kind locations, and top quality equipment; this is a tour you should not miss!

All transport, four hours on the water, equipment, guides, food and drink included.
